

# LINCOLN TRACK CLUB SCHOLARSHIP PROGRAM FOR 2016/17

- Our Mission:** The purpose of LTC is to facilitate quality running events for Lincoln and the surrounding area and to promote opportunities for physical fitness at all levels.
- Scholarship Explanation:** A one-year need basis scholarship for \$2,500.00. The award was created to financially reward High School Seniors who are participating in their school's track or cross-country program and are planning to compete at the college level the following year. Applicants must reside in Lancaster County. These funds may be used for any course of study at an accredited baccalaureate or associate degree program.
- Application Process:** Attached is an LTC scholarship application. Once the applicant completes the information, the LTC Scholarship Committee requests the application be returned, along with three letters of recommendation (one being the school track or cross-country coach) to the committee. The committee also asks that proof of intent be submitted during the interview process.
- Selection Process:** The scholarship committee will read through all applications. Applicants will be selected based on their qualifications, not to exceed six in number (3 male & 3 female). The finalists will be interviewed by committee members.
- Decision:** After the personal interviews conclude, the committee will select the recipients. All finalists will be notified within one month following the interview.
- Ceremony:** Recipients will be publicly recognized at a Lincoln Track Club board meeting.
- Follow Up:** LTC Scholarship Committee members will communicate with the recipient throughout the year to receive progress reports to share with LTC members.
